Reading Total Score Points Earned	

This form is to be maintained in the student's ELL file.

enter them in the corresponding boxes below. Then add up all the section score points to obtain the Total Score Points Earned for the Speaking Subtest.

Speaking	
Speaking Sections	Score Points
Social Interaction (1-8)	
Sentence Completion (9-11)	
Descriptive Language (12)	
Description of Routine (13)	
Compare/Contrast (14)	
Speaking Total Points Earned	

Directions: Add the total score points earned from each subtest to obtain the raw score total.

Use the Raw Score-to-Scaled Score Conversion Table to find the scaled score for each subtest.

Use the scaled score cut range to determine the proficiency level for each subtest.

Subtest Proficiency Level			
Subtest	Total Score Points Earned	Scaled Score	Proficiency Level
Listening			
Writing Conventions			
Reading			
Speaking			

PLEASE NOTE: Use of this hand scoring process will provide a rough, unofficial proficiency level for four of the five subtests. Without the Writing Prompt Score it does not provide a composite score or a true total proficiency level. You must send the High School Response Booklet to the Pearson Scoring Center to obtain the complete, official student report.

This form is to be maintained in the student's ELL file.
